Youth Prevention Specialist – Hill Country

Description

The Youth Prevention Specialist is responsible for the delivery of universal, selected and/or indicated prevention services. These services include curriculum-based prevention support groups and promote social-emotional learning for youth. The State's four prevention priorities: underage alcohol use, tobacco and nicotine products, marijuana and other cannabinoids, and prescription drug misuse are addressed. These services promote a proactive process to address adverse childhood experiences, social determinants of health, and/or other youth, family and community risk and protective factors. The Youth Prevention Specialist is also responsible for strengthening resources and developing relationships within the community to prevent substance use and misuse. The service area includes Atascosa, Bandera, Bexar, Kendall, Kerr, Medina and Wilson Counties.

Core Duties

- Learn and thoroughly understand the philosophy of the Council, its programs, services and resources available for children and families.
- Implement the Center for Substance Abuse Prevention (CSAP) Strategies that include delivery of prevention education, information dissemination, positive alternatives and community-based processes and identification of problems and referral to services.
- Recruit local schools and community organizations to acquaint them with the Council's substance abuse evidence-based programs and establish sites for curricula to be implemented.
- Screen program participants to ensure that required program criteria is met.
- Implement and facilitate the approved evidence-based curricula either weekly or bi-weekly sessions with students/youth. These sessions may take place in person or via online platforms.
- Preparation and documentation of weekly or bi-weekly group sessions.
- Prepare presentations about substances of abuse and other topics that may relate and use positive alternatives to provide fun, challenging, and structured activities so people have constructive and healthy ways to enjoy free time and learn skills.
- Conduct and facilitate presentations to youth or adults in schools or in the community or via an online platform regarding substance abuse/use and other related issues to the program target population.
- Actively attend in person or online community coalition meetings related to prevention of drug and alcohol abuse with youth and adults.
- Attend team and staff meetings in person and online work with Directors on process, outcome evaluation and the development of activities to meet program goals.
- Provides advocacy and referral services to fill the needs of participants not met by SACADA prevention services.
- Provide both written and oral monthly reports concerning program activities and evaluation information to the Youth Prevention Director.
- Prepare and complete accurate monthly, quarterly, and annual reports by deadline while following organization and funding requirements
- Employees will be expected to attend online meetings, trainings and to be
